SNACK SIZED VIDEO ADVERTISING ON SOCIAL MEDIA & GOOGLE DISPLAY NETWORK

SELF-STORAGE VIDEO SNACKS

The world is moving faster every year as people get more accustomed to digesting everything from food to information in quick, **snack size** portions. This is most true when it comes to **video marketing** which is why Adverank specializes in **15 & 30-second** snack sized videos for the **Self-Storage** industry.

ADVERANK

TEXT

The modern world of **video advertising** is a smorgasbord of options with your customers being served countless video ads everyday on **YouTube, Facebook, Instagram, the Google Display Network**, and even **Spotify**. If you are not taking advantage of this delicious platter of advertising possibilities, you are missing out on rentals, and **revenue**.

BITE-SIZED BRILLIANCE

A short, sweet, and well-prepared **video** from Adverank tells them everything they need to know about your facility and keeps them wanting more.

VISUAL TEMPTATION

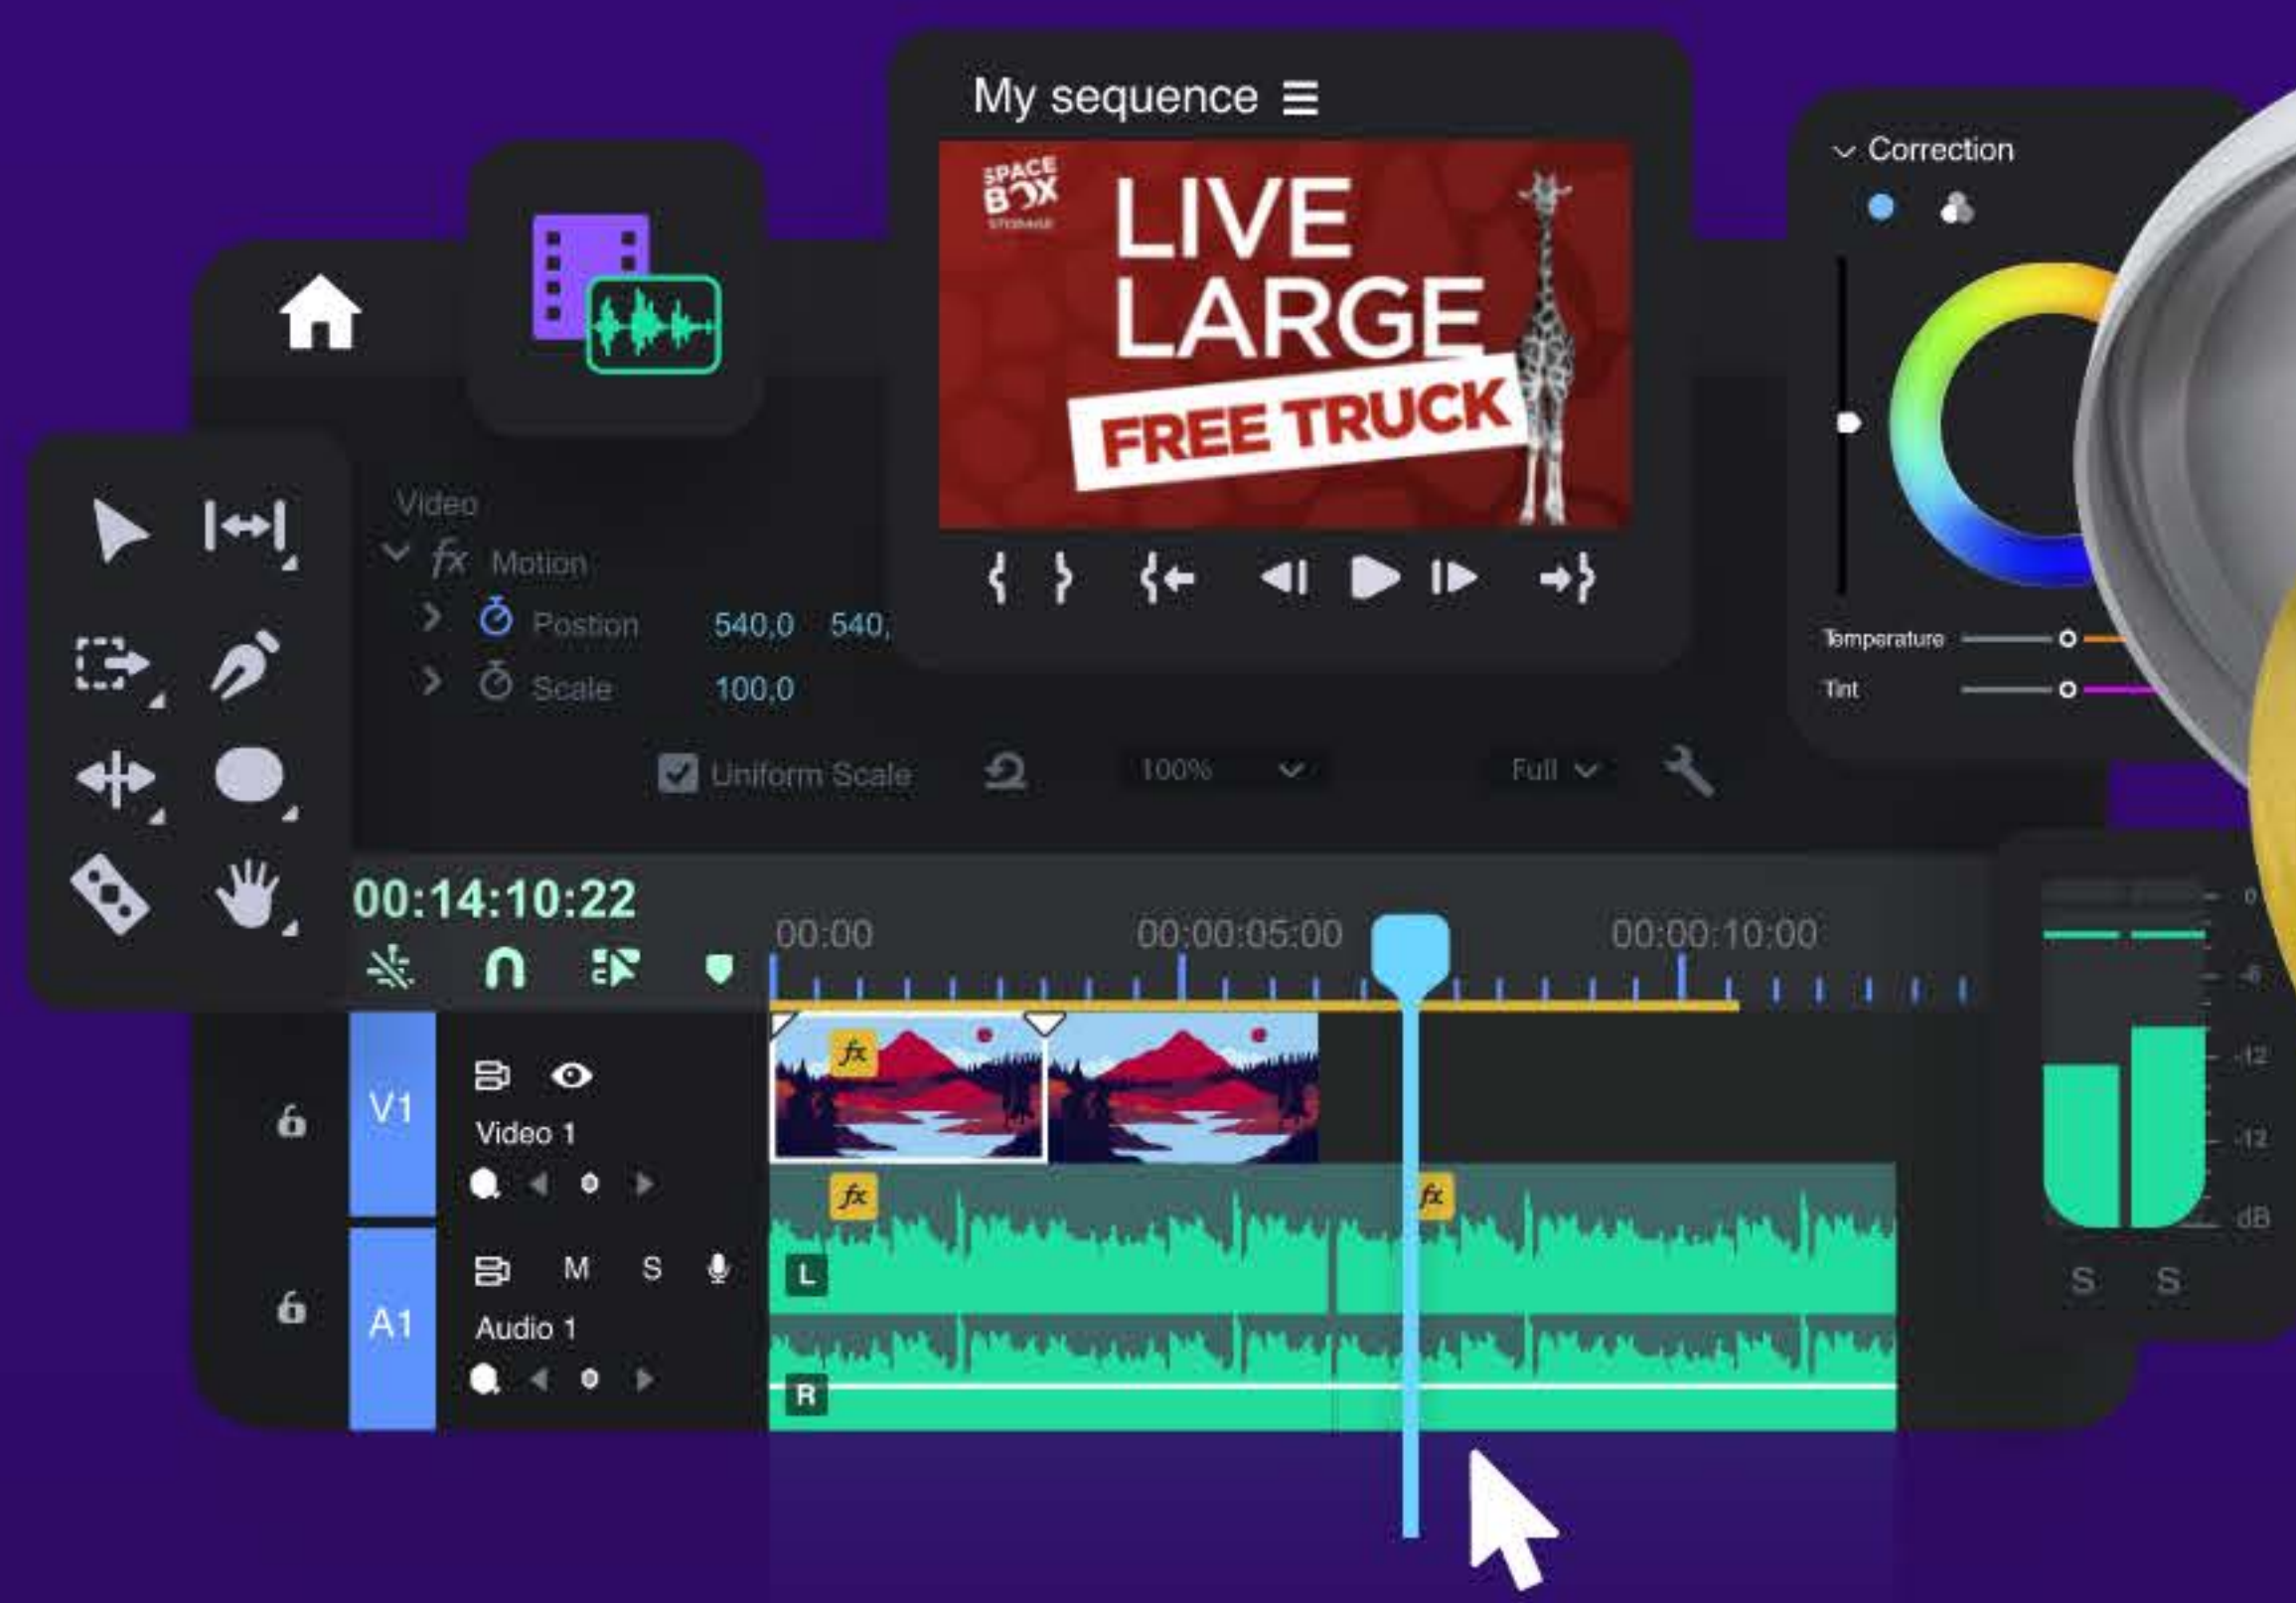

An Adverank **video ad** visually showcases your **storage** facility's mouthwatering features and helps potential customers

FLAVOR EXPLOSION

Just like the right spice can make a great snack a must have, our **bite sized videos** highlight the special ingredients that make your facility stand out.

ENGAGING CRUNCH

And in the same way you never forget the delectable crunch of a good chip, Adverank's **video ads** are designed to grab the attention of future tenants, so they go looking for more of that great taste in the form of new **self-storage** leads for you.

Your **self-storage** marketing needs to be the boldest flavor on the shelf. Forget plain old potato chip advertising. Your **video ads** should break through the snack aisle clutter, leading viewers on a snacking journey straight to your website, kiosk, or leasing office.

Learn more about how we can take your advertising to the top shelf with our groundbreaking social boosts and PPC tools.
